- Arrive early, say hello, and complete any admin steps.
- Ride Lead and other Road Captains coordinate ride details while the group gathers.
- New members and guests briefly introduce themselves.
- Everyone attends the short safety brief before departure.
- After the briefing, we mount up and ride.

Most rides are destination rides, meaning the official ride ends with kickstands down at the listed destination. Many riders return on their own or in small groups; if you're new to Arizona or unsure of the route back, please let the Ride Lead and other Road Captains know and we'll ensure you get home.
